

**Homeschool Supporters Call Gov. Palin**  
**Monday or Tuesday - July 9th & 10th - Call 907-465-3500**

Ask Governor Palin:

To speak to the current Board of Education and ask them to screen the Commissioner of the DEED applicants for those who will implement her vision. (APPLICATION DEADLINE is 4:30 p.m. on July 10th).

While on the phone, remind her to reverse the inequity caused by the regulations of 2004 on statewide homeschool programs.

If she feels that a task force would best reverse the inequity, encourage her to have them convene before the next board meeting planned for Sept 21, 2007 and allow Senator Dyson to help with looking at the correct implementation of statute already in place.
